No successful flights: 1993 1996 2002 2004 2005

Successful
DELBERT flights

29

One flight occurred in either 1994 or 1995.
The year and date of that flight wasn't recorded on the plaque.

One flight was recorded twice – once on each plaque.
That flight was only counted once in the above chart.

(Flights listed were between Stanton and Benson)
